AEG Student Night

Thursday, March 22, 2012

5:30-9:00 PM

Room 243, Berthoud Hall

Colorado School of Mines, Golden, CO

The Association of Environmental & Engineering Geologists (AEG) represents professionals in the field of environmental and engineering geology in the greater Denver area and throughout the Rocky Mountain region. AEG is hosting our Annual Student Night Banquet, where environmental and engineering geology students from across the Rocky Mountain region will present their research as part of this well-attended networking event.

We would like to invite you to participate as a sponsor for the event. This is an exciting opportunity for you to gain recognition for your firm and support student participation in the Rocky Mountain Section of AEG. This event also serves as an excellent recruiting opportunity, as the region's best and brightest students will be in attendance. You are invited to participate at the following sponsorship levels:

SPONSORSHIP OPPORTUNITIES	
Kimberlite Level	\$500
Rhodochrosite Level	\$250
Molybdenum Level	\$100
Galena Level	\$50
Quartz Level	\$25

All sponsors will be listed in the Student Night Program, on a poster at the meeting, in the section newsletter, and on the section website (www.aegrms.org). All students who attend this meeting receive complimentary admission so this event would not be possible without the support of our sponsors. We thank you in advance for your generous support!
